WITNESSETH:

WHEREAS, Settlor hereby establishes a Trust known as the MyChoice Community Trust I; and

WHEREAS, Settlor will deposit with Trustee and Limited Co-Trustee certain property and thereby establish this Trust known as the "MyChoice Community Trust I" solely for the purpose to further Settlor's mission to provide a full range of services for people with disabilities as more fully set forth herein.

NOW, THEREFORE, IT IS AGREED that the Trustee shall administer, hold and dispose of the Trust property as more specifically set forth herein:

ARTICLE I

Name & Establishment

1.1 Name of Trust:

The name of the Trust shall be the MY CHOICE COMMUNITY TRUST I, a supplemental needs trust created pursuant to federal and state laws under the Omnibus Reconciliation Act of 1993 (“OBRA ‘93”). OBRA ’93 authorizes individuals with disabilities

(as further defined herein) to place their assets in a pooled supplemental needs trust, provided that such trust is established, and the assets therein, are managed by a not-for-profit institution. Coordinated Care Alliance NY, Inc. is a New York not-for-profit corporation that is also recognized under the Internal Revenue Code as a 501(c)(3) tax exempt corporation.

1.2 Establishment of Trust & Compliance with Federal and State Law:

This Trust is established as authorized by and is intended to comply with the provisions of 42 USC 1396(p)(d)(4) (commonly known as "OBRA '93), New York Social Services Law Section 366(2)(b)(iii)(B), the New York State Department of Health and the rules and regulations promulgated thereunder, and the terms of this Trust shall be construed in accordance with the foregoing. The Trustee shall provide to New York State and/or the appropriate county social services department and/or social service districts as may be established by the State of New York such notices that may be required by statute and/or regulation.

ARTICLE II

Trust Purpose Eligibility, Acceptance & Remainder

2.1 Trust Purpose:

The express purpose of this Trust is to provide for the collective management and distribution of the Trust Estate on behalf of eligible beneficiaries (the "Disabled Beneficiary" referred to in the Joinder Agreement, otherwise referred to as "Beneficiary" in this Trust Agreement) who are disabled as defined in Social Security Law Section 1614 (a) (3) [42 USC 1382c(a)(3)] for whom trust accounts (each hereinafter called a "Sub-Trust Account") are established and upon the death of the Beneficiary, the funds that are received by the Trust shall be retained by the MYCHOICE COMMUNITY TRUST 1 and administered by the Trustee to further the express purpose of the Trust as more fully stated below. A Sub-Trust Account may be established

through the actions of the disabled individual, their parent(s), their grandparents, their legal guardian(s), or a court. This Trust is intended to provide, in the sole and absolute discretion of the Trustee, extra and supplemental services and benefits for the care, support, comfort, education and training of the Beneficiaries in addition to, and over and above, benefits the Beneficiaries already receive, are entitled to receive or may receive or be entitled to receive, now or in the future, from any federal, state or local government program, agency or department resulting from their present or future, intellectual, physical, psychological or developmental disabilities.

2.2 Donor's Intent:

Except as the Donor's ("Donor" shall mean the person who is contributing property) intent is otherwise expressed in the Joinder Agreement, the Donor declares that in creating the Trust account provided for the Beneficiary, the Donor's primary purpose is to benefit the Beneficiary for all reasonable expenditures, as to both income and principal and not to preserve the principal for the benefit of any remainderman. The Donor directs that this purpose be carried out in determining any questions which may arise between the interests of the Beneficiary and the remainderman.

It is the Donor's intent that the Beneficiary be treated and recognized as a full member of his/her family with the opportunity to participate in family activities, lifestyles and purchases, so long as those purchases are for the primary benefit of the Beneficiary. Therefore, it is Donor's intent that the Trustee has the broadest powers to encourage the Beneficiary's involvement with his/her family, and not be hampered nor prevented from making any expenditure which is appropriate for the benefit of the Beneficiary so long as that expenditure is for the primary benefit of the Beneficiary and provides no more than a collateral benefit to any family member(s) of the Beneficiary. Nothing benefits the Beneficiary exclusively, as he/she is a beloved member of a family unit. Notwithstanding the

above, the Trustee retains full and complete discretion to determine the appropriateness of said expenditures.

2.3 Amounts Remaining in Sub-Trust Account Upon Death of Beneficiary:

(a) Monies Retained by Trust: Notwithstanding anything to the contrary contained herein, any and all amounts remaining in a Beneficiary's Sub-Trust account upon the death of any Beneficiary shall be credited to the "Remainder Sub-Trust Account" which amounts shall be retained by the Trust and administered in accordance with applicable federal and New York State laws and regulations. The "Remainder Sub-Trust Account" is the separate account maintained by the Trustee to which shall be credited any and all amounts remaining in a separate Sub-Trust Account maintained for a Beneficiary, upon the death of said Beneficiary.

The Trustees may use the funds in the Remainder Sub-Trust Account for the purpose of providing direct supplemental needs assistance to any individual who is disabled pursuant to Social Security Law Section 1614(a) (3) and 42 USC 1382c (a) (3), whether or not such individual is a current beneficiary of the Trust. Amounts in the Remainder Sub-Trust Account shall also be available to the Trustee for the purpose of providing indirect supplemental needs assistance to or on behalf of individuals with disabilities. Such indirect expenditure(s) may consist of, but are not limited to, education, training, advocacy, and such other incidental services or products which meet the need(s) of any current or potential Beneficiary of the Trust or has the effect of heightening the awareness of the general community to the special needs of individuals with disabilities, including distributions to any other 501(c)(3) organization(s) that provides any of the above services for the benefit of individuals with disabilities. Amounts in the Remainder Sub-Trust Account shall also be available

to the Trustees of the Trust to meet any and all reasonable administrative and/or operating expenses incurred by the Trust.

(b) Monies Not Retained by the Trust: To the extent that amounts remaining in a Beneficiary's Sub-Trust Account upon such Beneficiary's death are not retained by the Trust and credited to the Remainder Sub-Trust Account, the Trustee shall cause the Trust to pay to the appropriate State(s) from such remaining amounts in the Sub-Trust Account an amount equal to the total amount of medical assistance paid on behalf of said Beneficiary under said State(s) Medicaid plan(s). To the extent that the Trust does not retain the funds in the Remainder Sub-Trust Account, the State(s) shall be the first payee(s) of any such funds and the State(s) shall have priority over payment of other debts and administrative expenses except as listed in the Social Security Administration's Program Operations Manual (POMS) SII 120.203B.3.a.

2.4 Eligibility

(a) Eligible Beneficiaries: This Trust is open to individuals, who by reason of their disability(ies) as defined in Social Security Law Section 1614 (a)(3) and 42 USC 1382c(a)(3), shall be eligible beneficiaries of this Trust. The Trustee retains the sole discretion to admit or not admit any individual as a Beneficiary of the Trust.

(b) Funding Trust Accounts: The Trust is established as of the day and year first above written. It shall be effective as to any Beneficiary upon execution of a Joinder Agreement, and only after proper certification by the Trustee. A sample Joinder Agreement is attached hereto. Upon delivery to and acceptance by the Trustee of cash, its equivalent, or then marketable securities, the Trust, as to the Beneficiary, shall be

irrevocable and said property shall be non-refundable. Additional deposits to fund the Sub-Trust account shall be accepted at any time during the year. Said Contributions are to be administered in accordance with the Joinder Agreement, subject to proper certification by the Trustee.

2.5 Acceptance:

The Settlor hereby establishes this Master Trust for the convenience of Donors, Beneficiaries and their families. If a Joinder Agreement is executed incorporating the provisions of this Master Trust by reference, and the Joinder Agreement has been approved by the Trustee, the Trustee agrees to hold, administer, and distribute the income and principal of the Trust in accordance with the terms and provisions hereinafter set forth.

ARTICLE III

Expenditures

3.1 Disbursements of Income and/or Principal

(a) Disbursements: The Trustee may, at its discretion, disburse trust income or principal to purchase property or services for each Beneficiary, consistent with the purposes and objectives as referred in this instrument. Disbursements shall be made according to the interests and location of each Beneficiary, taking into account the services and financial resources legally available to him or her from any source.

(b) Disbursement Conditions: Notwithstanding the above, it is the further intent of the Settlor that no distribution be ordered in contravention of the intent of the Trust and of 42 U.S.C. 1396p(d)(4)(C), Social Services Law 366 (2)(b)(2)(iii)(B) and the New York Estate Powers and Trusts Law (EPTL) Section 7-1.12. This provision is intended to negate and eliminate any discretion granted to any Court by the New York Estates, Powers and Trust Law Section EPTL Section 7-1.6. The Settlor intends that those funds provided by any third party be utilized for the "supplemental needs" of the Beneficiary. Settlor intends that

if the Trustee receives any contributions from the Beneficiary, whether as an outright gift or pursuant to a Court Order, that these Trust assets are to be protected by the terms of this Supplemental Needs Trust. The Settlor and Trustee intend that the Beneficiary have the same property rights as any other person who does not have a disabling condition.

Notwithstanding the provisions above, the Trustee in consultation with a legal guardian, if any, may make distributions to meet the Beneficiary's need for food, clothing, shelter or health care even if such distribution may result in an impairment or diminution of the Beneficiary's receipt or eligibility for government benefits or assistance, but only if the Trustee determines (i) that the Beneficiary's basic needs cannot be met adequately without such expenditure, and (ii) that it is in the Beneficiary's best interests to suffer the consequent effect, if any, on the Beneficiary's eligibility for, or receipt of, government benefits or assistance; provided, however, that if the mere existence of the Trustee's authority to make distributions pursuant to this subparagraph shall result in the Beneficiary's loss of government benefits or assistance, regardless of whether such authority is actually exercised, this subparagraph shall be null and void and the Trustee's authority to make such distributions shall cease and shall be limited as otherwise provided herein to supplement and not supplant any government entitlement.

3.3 Change of Residence: If the residence of Beneficiary changes from the State of New York to another State, distributions may cease until appropriate arrangements for the distribution of funds can be made within the Beneficiary's new State of residence.
